

	<p>This is my non expert opinion on the 16:55 video captured and release by Joshua Moon of http://kiwifarms.net</p> <p>This covers the attack on the Al Noor mosque only</p> <p>Ognir http://Twitter.com/Ognir2</p> <p>Mami's Shit http://grizzom.blogspot.com/</p> <p>TiU http://theinfounderground.com/smf/index.php</p>
	<p>As the video starts playing Tarrant can be heard saying LET'S GET THE PARTY STARTED</p> 
	<p>Tarrant is in his car fiddling around and before taking off reminds everyone to subscribe to PewDiePie. Car takes off guided by GPS</p>

3:39	Serb music restarts – still parked
4:13	Gun test strobe lighting on gun – adjust camera again
4:28	Takes off with Serb music still playing
4:34	Starts talking no sure exactly what he said
4:48	End of Serb music and marching music starts playing
5:01	Arrives at Al Noor mosque – guy in red passes by 
	Drives around looking for a parking spot inside complex comes to a dead end and ends up making a bollix of the turn
5:33	Complains about power steering in the car

<p>5:49</p>	<p>Arrives at the end of the alley where he stops the car. Guy, Pakistan type guy seen to the left crossing the path followed by 2 gentlemen.</p> <div data-bbox="237 143 1528 1653"></div> <p>I presume the two were the same gentlemen entering the mosque when Tarrant opened fire</p>
<p>5:57</p>	<p>Starts to get out of the car</p>

6:03	Opens the boot of the car – still marching music
	
	He opens a cover and we see some of the so called weapons petrol like cans
6:15	Takes out a shotgun with white writing and heads to the mosque
6:20	Turns corner and heads to entrance – he can see 3 people standing by the entrance/exit Marching music still playing
6:26	Black gentlemen 50ish spots him in full gear cam and all

6:38 Near main door opens fire with a shotgun, fires 9 times according to me

6:44

Enters in to first part of main building, guy already down on his left

6:48

Unloads on a guy already hit, hits him twice in the back, dude clearly not wearing socks

6:50	<p data-bbox="240 80 1501 143">Looks right and fires on a female running out the other way, not clear if she was hit, guy also down in the doorway</p> 
6:53	<p data-bbox="240 848 831 880">Fires on someone at the opening to the main hall</p>

06:55

16:55

6:57

Unloads a couple of shoots on a guy face down already to the left and **turns the other way and what do we have, seems to be a black fella calmly standing around chatting** 21 seconds since the first shots were fired.

16:55

6:59A	Black fella to the right standing up seems to get hit several times
6:59B	<p>Smoking gun proof CC was a falseflag – HERE YOU GO FOLKS, after firing to the left side of the room with 8 shots. Shouldn't be possible, that there could be bodies stacked up in the corner as he hadn't fired in that direction yet.</p>  <p>06:59 16:55</p>
7:02	Firing wildly to the right side, no broken windows

7:11 Walks next to guy he shot earlier but now wearing blue socks

7:13 Drops an empty magazine

7:15 Reloads a magazine and heads and says "That didn't work"

7:16 We clearly the magazine waiting on the ground

7:18 Re-enters main hall firing left

7:19 Next 10 seconds fires wildly into to grouped up bodies, no broken windows
@7:20 You can see a guy crawl out a large glass door/window it

7:28 Drops an empty magazine to the floor

7:30 Re-enters hallway

7:32	<p>Reloads body position</p>  <p>A live video frame from a security camera, labeled 'LIVE4' in the top right corner. The timestamp '07:34' is in the bottom left, and '16:55' is in the bottom right. The scene shows a hallway with a patterned carpet and a glass partition. A person is visible in the background, and a red line is drawn on the carpet, indicating a specific body position or movement.</p>

The timestamp '07:53' is in the bottom left, and '16:55' is in the bottom right. The scene is very chaotic, showing a large group of people running and moving in a hallway. The image is blurry and has a high level of contrast, suggesting a fast-paced and intense situation.</p>
8:03	Starts shooting to his right, his left when he entered

8:32-3	<p>Picks up what happened to be there by change, a full magazine that fitted his weapon perfectly – Notice that the video quality at this point is pretty good</p>
8:38	<p>See body at door moved position yet again</p>

11:47

Takes his 1st shot at gate, one of the 2 people have cleared the gate and there is only a tiny target so Tarrant is some marksman

11:48

Fires a second shot, was this this the woman that took the lady down? Maybe a sniper in another life

11:50

Second person running down the road

12:01

16

12:02-3

Clearly hear a woman voice saying "help me help me"

12:03

16:55

12:06

Shooter seems to shot her in neck and back of the head
